To

The Secretary,

American Humane Society

Dear Sir:

Mr. Lit and I are very

deeply interested in all the

activities of your Society.

As a member of the organization  
However, he is never apprized

in time of prospective meetings

In this way we missed  
attendance at the annual  
convention held <sup>in Phila.</sup> and also last  
week the joint meeting  
with the Anglo-American  
society.

Is there any way that  
these meetings can be brought  
to our attention in time

for attendance & are the meetings for local nature

Thanking you,

Yours very truly,

J. S. Reid Lit.

Dear Mrs. Lit:

I appreciate your letter of the 24th ulto., telling me of the delay in receiving your notices. I am sorry for this, and I shall endeavor to see that hereafter they are mailed you a little earlier.

The Convention at Philadelphia was of the American Numismatic Association, not of the American Numismatic Society. These are separate organizations, although affiliated.

I trust you will be able to come to New York some time during the winter, and that your convenience will permit you to visit us at our Museum then.

Very respectfully yours,

Secretary.

Gentlemen :-

It seems this is the third  
or fourth notice I am sending  
requesting my name be stricken  
off as membership to your association.

I am not in position that would  
warrant my taking any interest  
in your work.

Yours respectfully,
